

EIB SUMMER SCHOOL

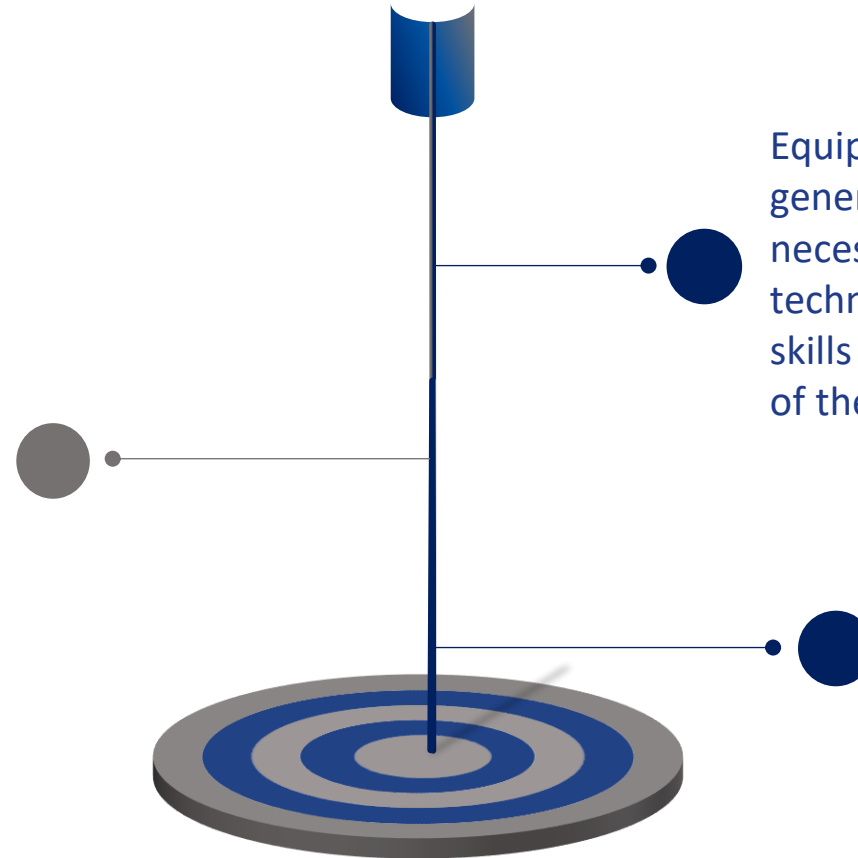

European
Investment Bank

OBJECTIVES

Support the EIB Group in its current approach and future strategy by developing a space for critical assessment of our activities and the development of new ideas and solutions

Equip the future generation with the necessary understanding, technical abilities and soft skills to guide the future of the EU project

Create a network of future ambassadors, stakeholders, clients and employees that will, in the long term, stimulate new business opportunities for the EIB by raising awareness and visibility of the EIBG's opportunities.
